

MTX[®] AUDIO

iX1 Hi-Fi Noise Isolation Rich Bass Headphones

State-of-the-art design, outstanding build quality, Pulmann comfort, stunning sound quality, mechanical noise-canceling headphones, ultra wide frequency response, incredibly deep bass, smart and practical, the iX1 is what we consider as perfection.

The mic and the remote control are compatible with iPhone®, iPad®, MacBookAir®, MacBookPro®, iMac® ...

Multiple iX1 units can share an audio source using 3.5mm Input/Output.

Two male to male jack cables are included. One with Apple® mic/remote, the other one for all other devices.

Durable protective carrying case included.

Tangle Free cable.

Exceptional sound isolation thanks to large, super sealed and comfortable foam earcups. It enhances bass depth and sound quality a lot!

The jack plugs and the remote control are all aluminum made for reliability and design.

Specially designed 40mm (1,58") speaker delivers outstanding precision, details and low frequency response.

Sensitivity : 113dB (1mW)

Impedance : 32Ω

Frequency response : 10Hz-25000Hz

Available in Black,
Red, White and Pink
